What We Do!

Since 1992, we at RTLB have worked diligently to raise funds and mobilize volunteers so that we may provide the home repairs and modifications that low-income homeowners need in order to live safely, securely, independently, and with dignity. We provide these services at no cost to homeowners, who may be elderly or disabled or a family with children. We provide analogous services to nonprofit organizations whose missions are compatible with ours.

Over these last two decades, we have successfully leveraged the services of over 12,000 volunteers, who have worked in excess of 93,000 hours to complete projects on more than 225 homes and 45 nonprofit facilities in the Long

National Rebuilding Day - April 26 2014

Just One Person Can Change A Life

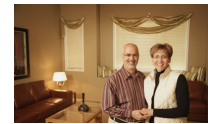

We hope we can count on your help today.

Anyone can volunteer! Carpenters, plumbers, electricians, painters, roofers and other skilled trades' people are always in demand for our home-building events. Unskilled volunteers are also needed to participate in our rebuilding projects. The key to making each project happen is the corps of volunteers with the enthusiasm and willingness to donate their time to help people keep their homes, improve their neighborhoods, and strengthen their communities.

U.S. Vets Chosen for RT Day

U.S. Vets is one of several organizations that run programs for veterans and their families at the Century Villages at Cabrillo campus. The not-for-profit organization provides all kinds of services for the veterans from housing, counseling, career development and comprehensive support. We have worked at this site several times providing repairs, accessibility upgrades, plumbing and roofing upgrades as well as painting and yard clean up. Additional assistance is being requested.

The focus of our improvements this year will be in their cafeteria, their computer career center and the woman's program facility room.

RTLB Recognized For New Initiative

Beach area. These volunteer efforts have directly benefited 167 elderly individuals, 213 women, 100 children, and 132 disabled individuals.

Our total estimated community impact exceeds \$5.2 million.

REBUILDING TOGETHER LAUNCHES 2014 COMMUNITIES OF PROMISE PROGRAM

Program dedicated to providing technical assistance and coaching to support affiliates in improving organizational health, performance and sustainability. Nine affiliates including RT Long Beach were selected into the program.

The primary initiative is to provide individualized coaching and support to select affiliates to help the organizations grow, develop and build capacity. This initiative is part of a larger suite of affiliate services that include national service programs like AmeriCorps, pass-through grants, direct staff support, an online Affiliate Resource Center, an annual National Conference and more. Right now there are over 30 million low-income homeowners in America

This means that over 30 million people are struggling to make the basic repairs that will allow them to continue living in their own homes. Millions of families will have to choose between hot meals or hot showers, medicine or a dry home. Rebuilding Together provides assistance to these families, but we can't do it without your help. Rebuilding Together enlists thousands of volunteers every year to help their neighbors live safely and comfortably. Your contribution will enable students, skilled laborers and countless others to join together in the common goal of ensuring that families are able to live in safety, warmth and dignity. Support Rebuilding Together with a financial contribution today and your gift will immediately help families and communities in need. Any donation, large or small, is appreciated. www.rtlb.org
