Serving Long Beach for 21 Years

**MAY 2014**

### What We Do!

Since 1992, we at RTLB have worked diligently to raise funds and mobilize volunteers so that we may provide the home repairs and modifications that low-income homeowners need in order to live safely, securely, independently, and with dignity. We provide these services at no cost to homeowners, who may be elderly or disabled or a family with children. We provide analogous services to nonprofit organizations whose missions are compatible with ours.

Over these last two decades, we have successfully leveraged the services of over 12,000 volunteers, who have worked in excess of 93,000 hours to complete projects on more than 225 homes and 45 nonprofit facilities in the Long Beach area. These volunteer efforts have directly benefited 167 elderly individuals, 213 women, 100 children, and 132 disabled individuals.

Our total estimated community impact exceeds \$5.2 million.

Home by Home, Block by Block  
Rebuilding Together is rebuilding homes and communities

***VOLUNTEERS WANTED  
DONATIONS NEEDED***

**COMMUNITY OUTREACH EVENT NEEDS YOUR SUPPORT. DONATE YOUR TIME, YOUR DOLLARS, YOUR ENERGY!!!**

**DATE:** Saturday May 31st

**TIME:** 7 AM-4 PM ( or as long as you can stay)

**PLACE:** Westside Boys and Girls Club (BGCLB), 1835 W Willard St LB

**DIRECTIONS:** Located in Admiral Kidd Park, across from Cabrillo High School, 1/2-way between the Terminal Island and Long Beach Freeways

**HOW:** Donations and Volunteer RSVPs accepted at [RTLB.org](http://RTLB.org)

**WHAT:** The BGCLB requires extensive repairs in its kitchen, bathrooms, game room, and class rooms in order to continue providing a safe and secure environment for the 700-plus disadvantaged (and underrepresented) children it serves on a daily basis. Parents rely on BGCLB to provide quality after school care and youth development programs to keep the children on the street and safe. The needed work includes (i) upgrading or replacing all appliances, counter tops and cabinets in the kitchen, thus allowing BGCLB to continue serving meals and teaching their popular cooking classes; (ii) replacing broken fixtures, tiles, and mirrors in the bathrooms, in order to prevent trips, falls, and cuts; (iii) deep cleaning and painting numerous interior walls; and (iv) patching floors to prevent water bugs and other unwanted creatures from entering the building. RTLB strongly supports the mission of the Boys and Girls Club and is dedicated to helping provide a healthy facility for the many families served.

RTL B Code: 83877

**RTL B**

The Boys & Girls Clubs show youngsters that someone cares and wants them to realize their full potential as productive, responsible and caring citizens.

For 75 years, the BGCLB has been helping to provide a world-class Club Experience that assures success is within reach of every young person who comes through our doors, with all members on track to graduate from high school with a plan for the future, demonstrating good character and citizenship, and living a healthy lifestyle.
