

REBUILDING TOGETHER LONG BEACH

Bringing volunteers together to repair homes and improve lives.

RTLb NEWS & EVENTS
November 2012

Over 400 volunteers and still counting!

MADD OCTOBER 27
2012

RTLb organized efforts gleaned over 400 eager volunteers for the massive volunteer projects throughout Long Beach on the last Saturday of October. At **Friendly Villages Mobile Home Park**, over 150 volunteers were recognized for their skill, effort and kindness. Learn more: [RTLb MADD](#).

People helping People.

- Repeat volunteer **Chris Dana** arrived from the Bay area to volunteer with RTLb. He worked at 2 site locations touching the spirit of the homeowners and the volunteers.
- Over 100 **CSULB** students were recruited and led by house captains from **CSULB Recreation Department Service Learning** class at the Friendly Villages Mobile Home Park.
- Volunteers from **Pella Windows and Doors** jumped to action with yard clean up at Beatrice's home. **LBCC** volunteers built a wheel chair ramp and two fences. [RTLb](#) website captures the moment in a photo
- CSULB student **Monique Nicholson** participated in MADD. She is documenting the struggles between the city law enforcement practices and homeowners with limited budgets. RTLb will continue to update you on this evolving story.

Boys and Girls Club gets help from Honeywell and RTLb through Corporate Citizens Initiative.

15 **Honeywell** volunteers made wishes come true on November 3 at the **Harbor City Boys and Girls Club**. Activities included repairs and modifications to three offices, sanitizing two bathrooms, installing new toilets and urinals, snaking several toilets, cleaning four activity rooms, reorganizing two storage closets, installing two chemical cabinets, painting, painting and more painting.

Mayor Foster highlights RTLb.

Please check out [Heart of the City](#), Long Beach TV highlights community events monthly through this video cast. The first segment is about Rebuilding Together Long Beach and the inspiring work we do. Introduced by **Mayor Foster**, several **Long Beach City College** students and volunteers from **Pella Windows and Doors** are documented in this video changing the life of Beatrice - she was highlighted in the OCT issue.

Thank you **Deborah Slaney** for arranging the **City of Long Beach** team to come out and do this story!

The extra food was taken to a homeless shelter and it fed at least another 25 hungry people.

RTLb volunteers are simply amazing!

RT Volunteers Skilled and Unskilled are welcome to all rebuilding efforts. Visit our website to learn how you can make a difference. www.rtlb.org
