"I was at the very end and I thought, 'Maybe I am going to lose my home forever.' But then I found Rebuilding Together. Rebuilding Together gave me hope. They gave me hope that my home could be saved."

- Ms. Sara, a Rebuilding Together homeowner.

Rebuilding Together believes that everyone deserves to live in a safe and healthy home. Our focus provides critical repairs, accessibility modifications and energy efficient upgrades to low-income homes and community centers at no cost to service recipients.

City of Long Beach Home Improvement Rebate Program

**RTLB partners with the Long Beach Community
Development Center to help low-income
residents and seniors.**

The Home Improvement Rebate Program reimburses eligible owners of residential properties up to \$2,000 to improve the exterior of their properties. Since 1987, property owners have received rebates to pay for improvements including painting or new stucco, doors, and driveways, repairing porches and windows, roof repairs and new landscaping.

Recently, an RTLB recipient was awarded \$2,000 for the work RTLB is planning on completing in October as part of National Make A Difference Day (MADD). The homeowner is donating the grant to RTLB. Congratulations RTLB but mostly THANK YOU to the City of Long Beach and our recipient for improving the quality of Long Beach families in need.
